

Journals / Activities #7 and #8:

Write or type a two-paragraph journal entry in which you describe an important memory that you have that has changed your life. This change could have been for better or for worse. Use the questions to help guide your writing.

Paragraph #1:

What is the memory?

Who was there?

Where did it take place?

What happened?

Be descriptive in your answers.

Paragraph #2:

How has this memory shaped who you are?

Why is it an important event to remember?

What lesson did you learn from the memory?

Will you ever forget it? Why?
